Conservative leaders in San Diego County are uniting behind these candidates.

Since we would like to elect conservatives, our goal is simple: **To agree upon and unite the conservative vote behind the candidates below in an attempt to elect more conservatives to office in San Diego County.**

We are grateful to all the leaders throughout the community who have come together to make this list a reality. Some decisions were much harder than others.

We reviewed ...

- ~ Candidate's endorsements
- ~ Candidate's voting records (if available)
- ~ We interviewed candidates.

We compiled as much information as possible to make the following choices.

Will all these candidates make perfect decisions every time? No. They're human beings with great intentions. But we would like to give these candidates the chance to prove themselves as Conservative Leaders by being elected.

And so we are encouraging you to unite with us and vote for the candidates listed on the following pages.
